FIFA Regulations Governing International Matches: tier 1 international matches in 2018

Dear General Secretary,

FIFA would like to thank you for complying with the Regulations Governing International Matches by submitting the relevant information and authorisations for the following tier 1 international competition:

- **Dates:** 22 – 25 March 2018
- **Name:** King's Cup 2018
- **Venue:** Rajamasala Stadium, Bangkok
- **Teams:** Gabon, Slovakia, Thailand & UAE

In accordance with article 7 of the regulations, FIFA is happy to provide official authorisation for this men's tier 1 international competition.

Please note that this authorisation is conditional upon FIFA receiving details of the referees who will officiate in the stated competition. We will confirm authorisation once the referee details have been received and checked. We would like to remind you that only referees included in the 2018 FIFA Refereeing International Lists can officiate in an international "A" match.

We would like to take this opportunity to remind you that in accordance with article 12 of the Regulations Governing International Matches, your association is required to ensure that a completed association report, list of players for both teams and referee report are submitted to FIFA within 48 hours of each international "A" match.

Please be aware that this authorisation has no bearing on the provisions of FIFA Circular 1593 as well as Annexe 1 of the Regulations on the Status and Transfer of Players.

Yours sincerely,

FIFA
